

Northern Heights-Tateyama Greeting Card Exchange

Each year the children at Northern Heights Elementary and students from Bellingham's sister city of Tateyama, Japan exchange greeting cards. This is a wonderful promotes friendship and cross-cultural understanding between the children of our two cities. The kids look forward to receiving the cards each year and are equally excited about sending their greetings to our Japanese friends. These cards are displayed in our school foyer for all to see!

Students from Tateyama, Bellingham's sister city, made these beautiful greeting cards for Northern Heights students!

(Kate)

(Kylee)

Northern Heights students enjoyed writing letters and sharing their greetings with their friends in Tateyama.
